The Marathon of Dentistry: Strategies for Longevity and Well-Being

Dentistry is a demanding profession that requires endurance and balance. In this practical and inspiring session, Dr. Marweg will share evidence-based strategies to prevent burnout, manage chronic stress, and build resilience. Participants will gain actionable practices that support both personal well-being and long-term professional success.

EARN CE CREDIT WHILE HONORING YOUR NEW SJDS LEADERSHIP AND GAINING VALUABLE TOOLS TO SUSTAIN YOUR CAREER.
